When your brother, Hong-Ryung, was chosen by that Divine Bell,

...Ga-Bi died.

...

I see.

So Mother is not here anymore.

Even though I kind of expected this and braced myself,

hearing it in person really makes me sad.

clench

Ga-Bi was the one who took me in.

So we have no family ties now that she's gone.

So go away. And don't look for me again.

Do you hate my brother because Mother died?

Is that why you're doing this?

I know Ga-Bi made her own choices.

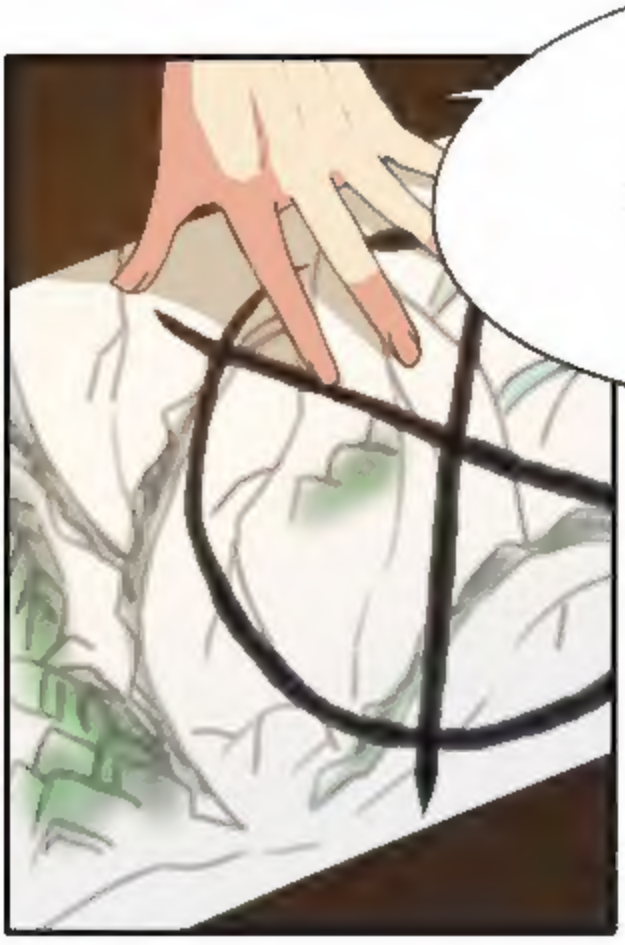
Your brother didn't know anything. It wasn't his fault.

But the situation has gone beyond that that.

Do you want to know what Ga-Bi sacrificed...

...to save Hong-Ryung?

From what we discovered, half of Seol-Wan was completely destroyed.



However, the other half was saved when this girl stopped one of the priestesses.

Thank you.

Princess!

offer

I brought what you requested.

Hong-Ryung, Emperor, please wear these clothes.

Although I doubt that local people would recognize the king of Myung-Joo or the emperor of Dae-Hyun, this is a precaution.
I ordered my soldiers who've seen you to keep your identities secret, so you don't need to worry about them.

Nan-Hun is treating the Dae-Hyun injured,
...but since we are at war, they are prisoners for now.

All during these events, I've know for certain...
...that there's no reason for Dae-Hyun and Nan-Hun, or even other countries, to fight.

But as long as Baek-Yeom is acting as Dae-Hyun's emperor, this war won't stop.

glance

You wouldn't have come all the way unless you had something on your mind, right?

Many soldiers must be suspicious about Dae-Hyun's sudden war against Nan-Hun.

Also, many of Dae-Hyun's soldiers were killed along with Nan-Hun's.

A growing number of soldiers will fear for the security of Dae-Hyun if this continues,
...and a growing number of people will mistrust the Emperor in Tae-Ryung-Gong.

And at that moment, I will step in.
Even without proof that I'm the real emperor, if I appear with Divine Bells at my side when everyone is near panic, they'll follow me just to change the situation.

Dare Bells 9

Season 3, Chapter 37:
Things to Know

Pssss...

MAJESTY!

Take it easy!
You've barely started healing! How stubborn can you get?

sfx: pull

LOOK AT YOU! COVERED IN SWEAT DUE TO EXHAUSTION!

LET ME GO! I NEED TO STAY BY THE EMPEROR. HE DOESN'T LOOK WELL!

All the more reason for you to leave him be.

And that guy needs to learn his lesson too.

I'll go instead of you.

pass

That's even worse!!!!

I guess you've found something you can do.

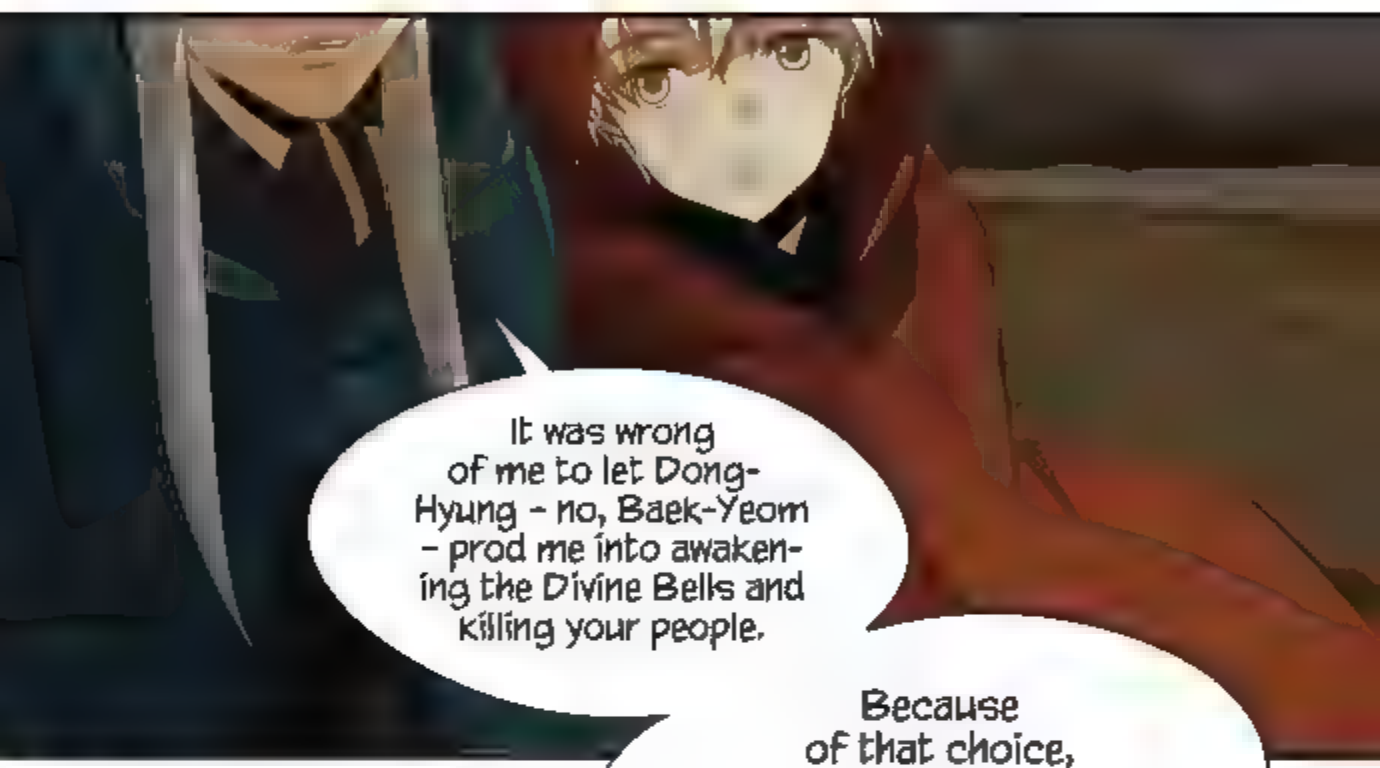
...

If you don't have any power, think of something you *can* do.

I'm not taking orders from you.

I chose this path myself.

Yes. Of course you did.



It was wrong of me to let Dong-Hyung - no, Baek-Yeom - prod me into awakening the Divine Bells and killing your people.
Because of that choice, I've ended up like this.

stare

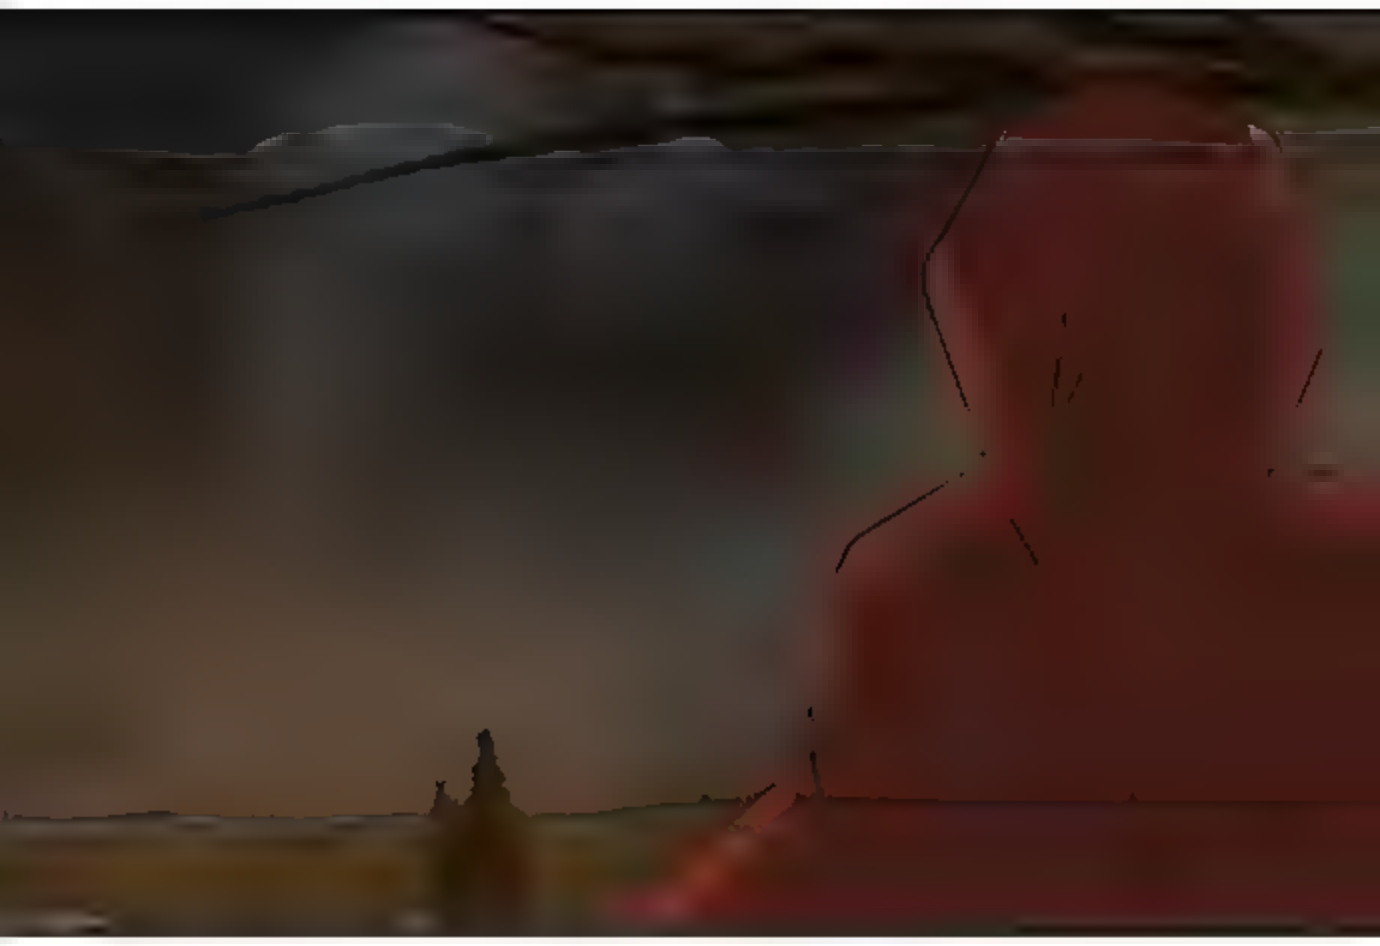
What?
...
That is all.

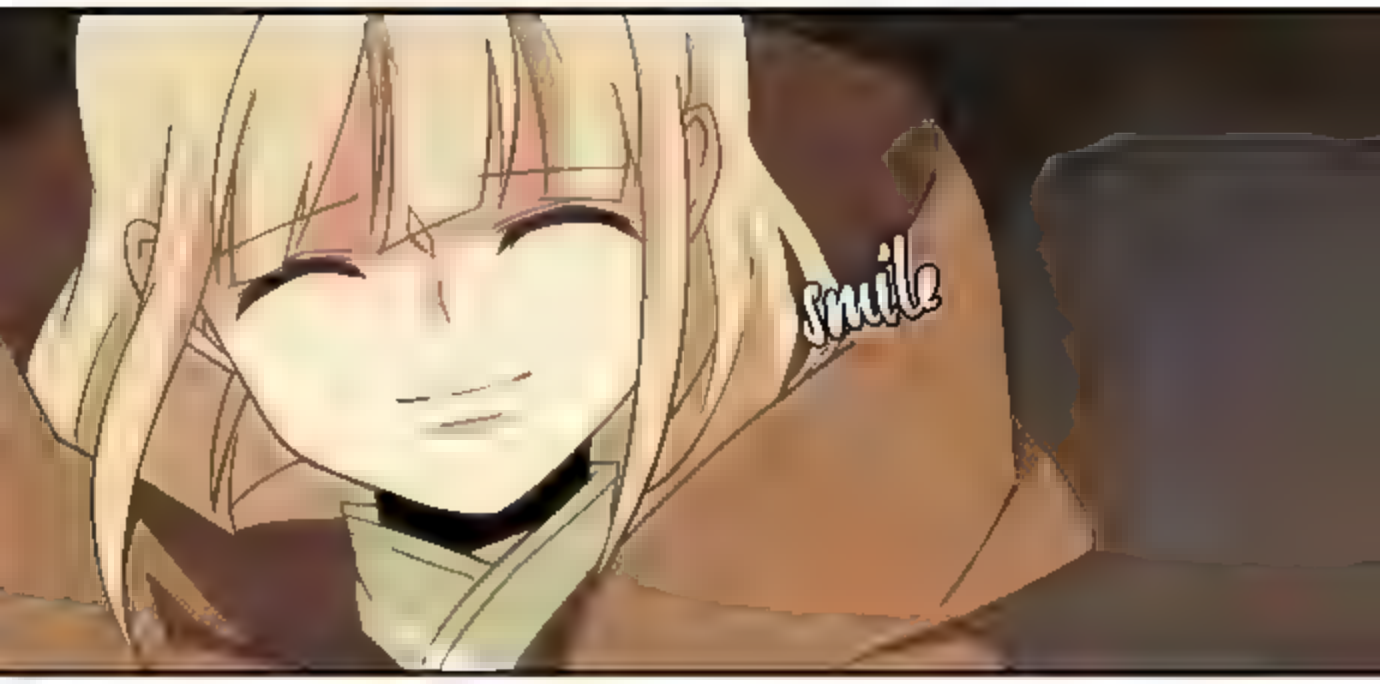
So you acknowledge that you did wrong, but you won't apologize.

It's really hard for people to change.

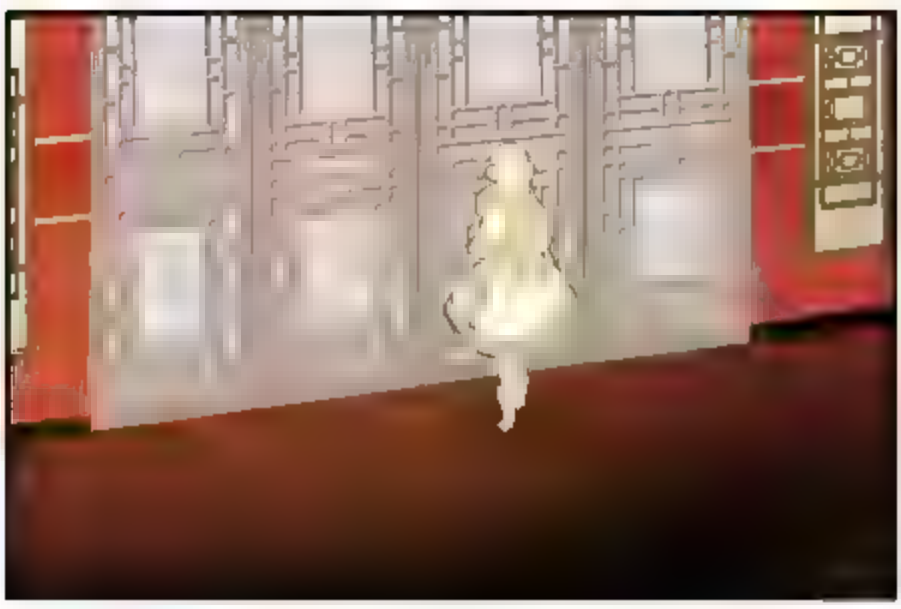
Are you being sarcastic?

It's a compliment.

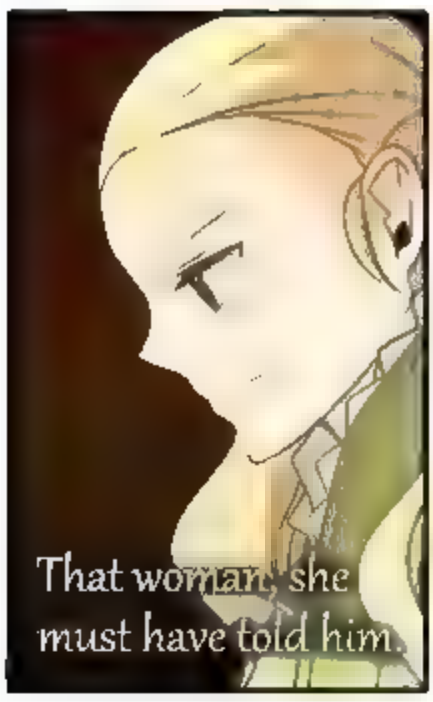




Smile



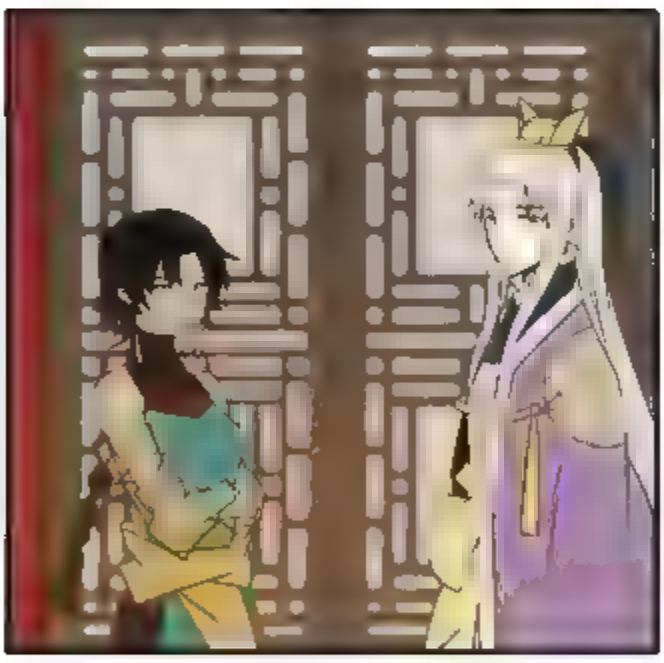
Just what the heck is going on?

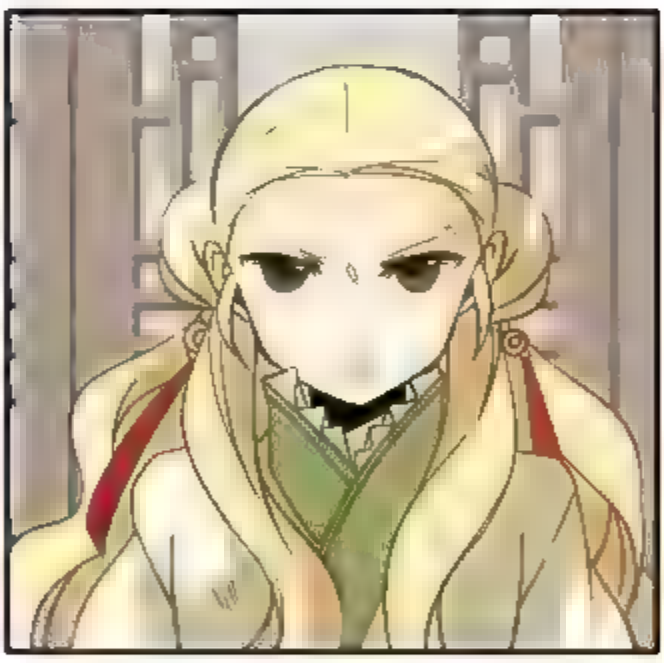


That woman, she must have told him.

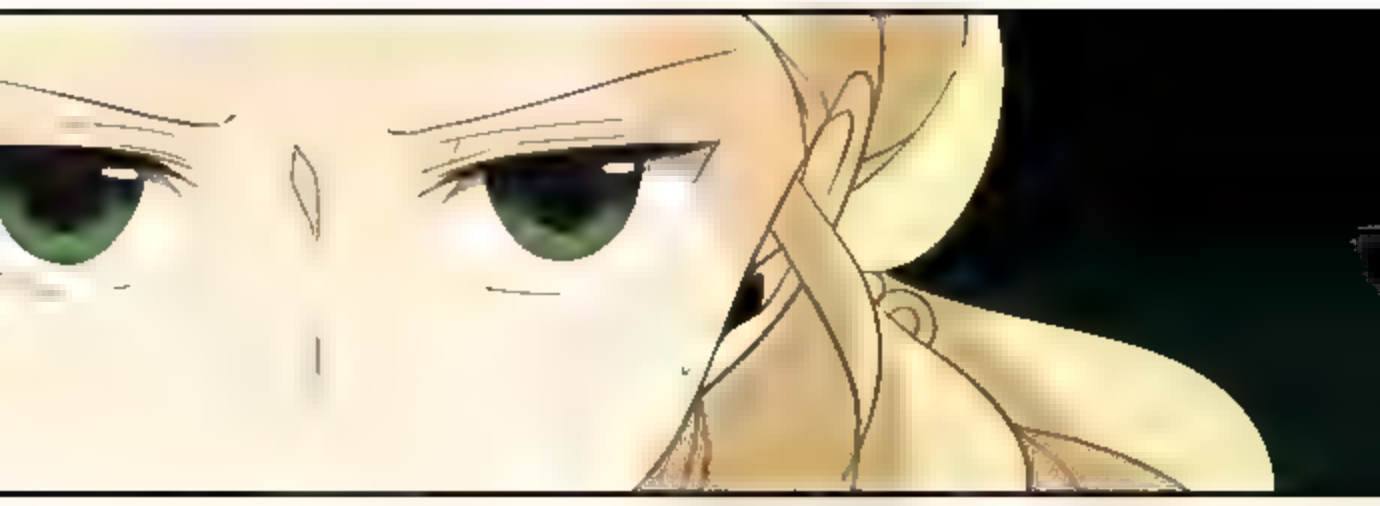
I should be prepared.

sfx: slide





Welcome.



Did you find Ha-Hyeon?

Yes. But she ran away again.

Won't you tell me now?
About you and Mother...and Ha-Hyeon?

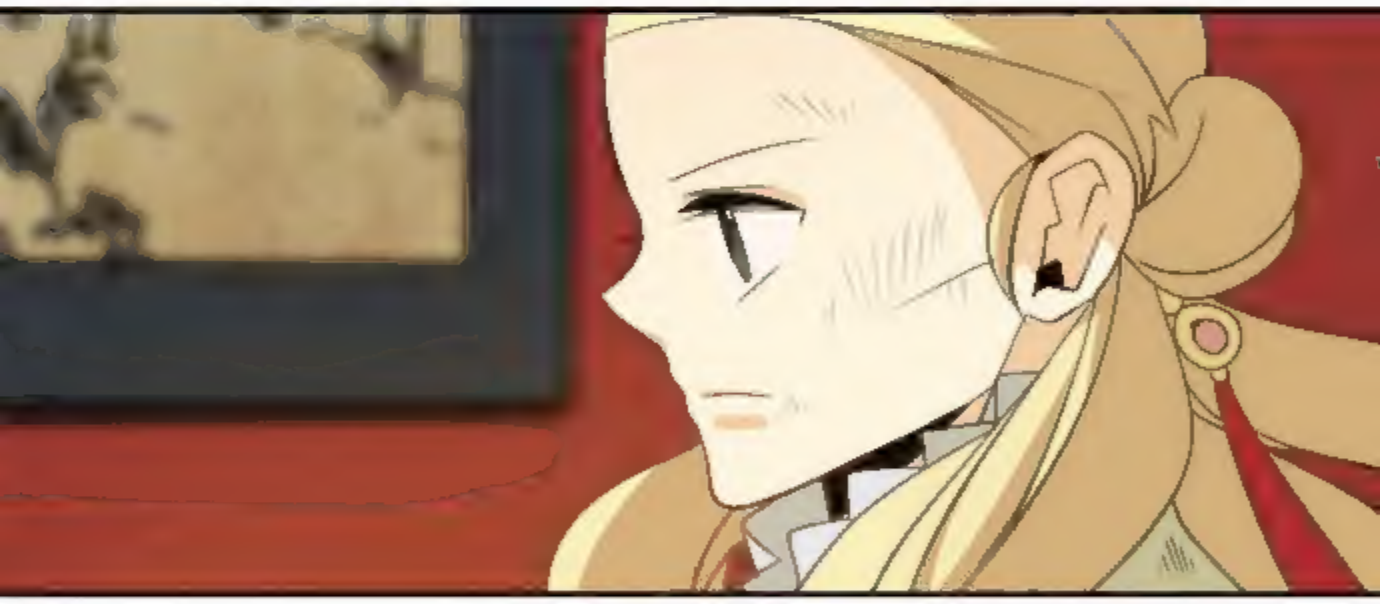
Do you want to know what Ga-Bi sacrificed...
...to save Hong-Ryung?

I'll tell you everything without hiding a thing.

What I'm telling now is all true.
But even though it's true, no one is to blame for this.

Everyone wants to protect those who are precious to them.

So don't be upset after hearing this story.



WHAT ARE YOU GAWKING AT?
